

City of Folsom
**WASTE &
RECYCLING**

LET'S GET FOOD WASTE IN ITS PLACE!

The City of Folsom's "Green Bin Approved" organics recycling program is in full swing. All residents can add food scraps and food-soiled paper to your existing yard waste bin, now called the green bin. All food scraps and food-soiled paper must be bagged in a clear plastic or compostable bag. The green bin is now serviced weekly.

The program complies with a new California law designed to reduce greenhouse gas emissions and compost organic waste.

GREEN BIN APPROVED

FOOD SCRAPS: NEW!

- Fruit and vegetable trimmings, meat and bones, eggshells, bread and pasta, dairy, uneaten leftovers, expired food

FOOD-SOILED PAPER: NEW!

- Napkins, coffee filters, tea bags, greasy pizza boxes, paper towels

YARD WASTE

- Lawn and leaf clippings, dried leaves, clean wood, dead flowers

BAG ONLY FOOD SCRAPS AND FOOD-SOILED PAPER, KEEP YARD WASTE LOOSE.

BLUE BIN APPROVED

PAPER AND CARDBOARD

- Flattened cardboard, newspaper, junk mail

ALUMINUM AND TIN

- Soda cans, soup cans
