VII. INPUT FROM COMMITTEE MEMBERS ON L&L DISTRICTS

Ian Cornell (WCES) – Member Cornell is in the process of getting new neighborhood entryway signs, they will be installed in the next 12 weeks. We have asked the community to not tape garage sales signs to the signs on our social media site. On social media site there has been some conversation regarding the landscaping at the entry ways of Lexington Hills. Manager Perras stated there are some funds that are set aside to take care of this.

Allen Brown (ARCN) – Member Brown any updates on the landscape redesign for the entrance, Manager Perras will forward once the revisions are approved, and work will begin. The goats and sheep are back. Under the powerlines at Temperance River and North Falls a pine tree came down and limbs were cleaned up, but the tree is still there. Also, at the corner of Temperance River and Flat Rock there is a tree that is leaning but they took the branches off and left the pile of branches.

David Weizer (ARCN #2) – Member Weizer the work on Alabaster Point are they waiting to complete the culvert. Manager Perras is working with the storm water engineer to see what the correct fix is for that. There is an RFP for a consultant to fix the ground water at Oak Avenue and American River Canyon Drive and Manager Perras will follow up. Supervisor Larson stated that it is on the list to be taken care of due to storms we have had but it will be taken care of.

Edward Myers (Broadstone 1,2,4) – Member Myers opened a See Click Fix for the section at Kennerly and Oak and the ticket was closed due to water restrictions. Manager Perras stated the Department of Water Resources chose not to repel the water restrictions; we are not allowed to water inactive turf.

Benjamin Mattocks (Prospect Ridge) – Member Mattocks on Willow Ridge Court it looks like some trees were taken down a while ago and hoping they can be removed. Any update on the tax rolls? Manager Perras stated a preliminary budget should be available on May 18, 2023, the preliminary engineers report will go to council on May 23, 2023, and the final report will be in July 2023.

Dina Collins (Folsom Heights/California Hills) – Member Collins was wondering if the light at the end of Vierra Circle and Given Drive has been repaired, and the fence at Vierra Circle has fallen will it be repaired. Manager Perras will follow up with the request and get back to Member Collins.
