

SPECIAL EVENT PERMIT APPLICATION INFORMATION AND INSTRUCTIONS

Please review the full Special Event Permit packet before submitting your application.

GENERAL INFORMATION:

A Special Event qualifies as any formation, parade, assembly, street fair or other gathering proposed to be conducted in or upon public property to include, but not be limited to, City streets, trails or parks which involve the use of or has an impact on public property or facilities and the provision of public safety services in response thereto.

If you are planning a neighborhood street closure for a private event, please review the Block Party Permit packet, found under the City of Folsom Planning Services page: www.folsom.ca.us/planningapplications.

APPLICATION INSTRUCTIONS:

Review the full Special Event Permit packet. Complete and submit the Special Event Permit Application & Contract, application fee, and other required items (see below) to the Community Development Department:

- online at <https://etrakit.folsom.ca.us/etrakit/>, or
- at the Planning & Building Counter at City Hall (second floor, 50 Natoma Street, Folsom, CA 95630), or
- by email to shannum@folsom.ca.us.

Applications must be received AT LEAST 60 DAYS IN ADVANCE of the special event. Applications will not be accepted more than 12 months prior to the event date. Event dates and locations are approved on a first-come, first-served basis.

Required at time of submittal:

1. **Application & Contract Form** completed and signed (page 4).
2. **Application fee** (\$63.00, non-refundable).
3. **Detailed event narrative** which includes all features and activities of the event. Must include schedule details of the setup and breakdown of the event.
4. **Site plan of proposed event**, including setbacks, access, parking, accessibility, and activity locations. This includes, but is not limited to, locations of food trucks, vendors, inflatables, tents, and stages.
5. **List of street closures/cross streets** if any roads will be closed for the event. Please note that a traffic control plan may also be required.

Once received, applications take 4-6 weeks for processing. There may be conditions of approval that require adjustments to your event plan. You are encouraged not to advertise or sell tickets to your event until permit approval has been issued. Failure to submit a complete and detailed application, narrative, site plan, and street closure list may result in delay of processing. The City will contact you if additional information or clarification is needed.

Upon review, each department will send their conditions of approval, if any, directly to the applicant. Any fees that may be associated with these conditions are to be paid directly to the requesting department. Once all departmental reviews are completed, the permit will be issued if approved. **All permit approvals are conditional on the basis that any outstanding permit requirements and/or conditions of approval are completed in a timely manner.**

If a traffic control plan is required, it must be received 30 days in advance, and must then be reviewed and approved by City staff. Any other supplemental requirements or fees must be received no later than 10 business days prior to the event.

Failure to meet the conditions provided will result in revocation of the permit approval. Once departmental conditions are provided, it is the applicant's responsibility to keep track of items due and ensure they are received on time.

CANCELLATION/REFUNDS:

If you need to cancel your event, you must first notify the City's special events coordinator. All cancellation requests need to be made in writing by the applicant named on the application. Cancellations can be emailed, mailed, or hand delivered to the Community Development Department. **The application fee is non-refundable.** It is also possible that fees related to other City services will still be incurred.

INSURANCE REQUIREMENTS:

Liability insurance is required for **all** events on public property and certain events determined by the City. When required, coverage must be a minimum of \$1 million per occurrence, and must include a separate endorsement that makes the insurance **primary and non-contributory** and either specifically names **the City of Folsom, its officials, employees, agents and volunteers as additional insureds** or has appropriate blanket coverage. Insurance must be on a per occurrence basis; claims-made coverage will not be accepted. The named insured must match either the name of the "Applicant" or the "Organization" to be valid. All coverage available to the named insured shall also be available and applicable to the City of Folsom. **NOTE: Lack of insurance will result in cancellation of the event and the Special Event Permit.**

All insurance documents must be received **no later than ten (10) business days prior to the event.** Some event promoters and insurance companies have experienced difficulty with providing timely and accurate insurance documents, so it is best to obtain these early. City staff will gladly assist with a preliminary review of the insurance documents. An example of the required documents is included at the end of this packet. If you have questions on insurance, contact the City Attorney's Office at (916) 461-6025.

ADDITIONAL INFORMATION AND REQUIREMENTS – PLEASE READ CAREFULLY:

1. An alternate event date may be required for your event. The City has limited resources and may not be able to provide services for your event should other events have prior approval.
2. Additional services and equipment may be required depending on the type of event held. A Facility Rental may be required, depending on the location. Call Parks and Recreation at (916) 461-6615 to determine if a fee is applicable.
3. It is the applicant's responsibility to provide any of the following, including but not limited to: cyclone fencing, barricades, traffic cones, and portable toilets, as may be required.
4. If your event has road closures, please specify which company or group will be handling traffic control. In addition, an engineered traffic control plan may be required for your event. Traffic control plans must be received 30 days in advance of the event date. For more information, contact the City of Folsom Public Works Department at (916) 461-6702.
5. Events **exceeding 500 attendees are required to select and pay** for waste services in advance as a condition of permit approval. Minimum service levels range from \$129.00 to \$344.00 depending on the selected service type. If you have questions, contact the Waste and Recycling Division at (916) 461-6730.
6. State law requires **large event** operators to meet with recyclers to select appropriate waste diversion programs and provide the City with written documentation of the success of such programs. Assistance in meeting this requirement is available through the Waste and Recycling Division at (916) 461-6730. A "**large event**" is one that serves an average of more than 2,000 individuals per day.
7. Licenses to sell alcohol shall be obtained through the State Department of Alcohol Beverage Control. Alcohol licenses shall be obtained prior to issuance of a Special Event Permit. Visit www.abc.ca.gov for information or call the ABC Sacramento District Office at (916) 419-1319.
8. A permit to consume alcohol in parks and public places must be obtained for \$10.00 from the City of Folsom Parks and Recreation Department. The permits are sold Monday-Friday at the Parks and Recreation Registration Office located at 48 Natoma Street and can be reached by calling (916) 461-6601.

9. If your event will have any food trucks, tents, or temporary structures, please contact the Fire Department at mltoledo@folsom.ca.us to schedule an inspection.
10. All engaged in gainful activity within the City of Folsom must have a valid Business Certificate. For online applications and further information go to www.folsom.ca.us/government/finance/business-licenses or call (916) 458-4753.
11. For all generators operated within City limits, an Air Quality Permit from the Sacramento Air Quality Control Board is mandatory. This process can be started at the following website: www.arb.ca.gov/portable/portable.htm
12. Any off-site signs associated with the Special Event are subject to a Special Event Sign Permit, per Folsom Municipal Code Section 17.59.050(D). Please contact the Planning Counter at (916) 461-6202 or planningepc@folsom.ca.us to obtain this permit, or apply online through the City's eTRAKiT online portal at <https://etrakit.folsom.ca.us/etrakit/>.
13. Events on private property will be required to obtain written authorization signed by the property owner.
14. The event organizer is responsible for notifying residents and businesses that may be impacted by the event. You will be required to notify, in writing, all residents and businesses within a two-block radius surrounding the event if your event involves street closures, amplified sound (more than announcements or stereo music), alcohol sales, or more than 500 attendees at any given time. This can be done door to door or by mail. You must submit a copy of the notification and the method and date of distribution to the City's special events coordinator.
15. Additional items and fees may be required. Staff will contact you if a supplemental application form or additional items are needed.
16. A final list of conditions of approval will be supplied to the applicant upon issuance of the Special Event Permit. Compliance with the conditions imposed is mandatory.
