PERMIT CONDITIONS AND REQUIREMENTS

The undersigned applicant seeks a Sidewalk Vendor Permit. This permit is exclusively for the use of sidewalks and does not allow the use of parking lots or parking stalls. The applicant understands and agrees that the permit, once issued, is subject to the following requirements, per Chapter 12.24 of the Folsom Municipal Code:

- A. Sidewalk Vendors shall not hinder or obstruct the free passage of pedestrians along a sidewalk or block the entrance into any place of business. This includes maintaining a clear path of travel on the sidewalk of not less than five feet wide in compliance with the Americans with Disabilities Act (ADA), free and clear of any obstacles including, but not limited to, tents, chairs, customer queuing, signage, pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other motorized or non-motorized conveyance, or merchandise.
- B. The sidewalk vendor is not permitted to locate on a sidewalk within the immediate vicinity of a construction zone or traffic-controlled area for construction purposes of any kind.
- C. The sidewalk vendor is not permitted to be located within 50 feet of a business or restaurant selling same or similar food or merchandise.
- D. Sidewalk Vendors shall not obstruct vehicular and pedestrian visibility at intersections.
- E. Sidewalk Vendors may not use lights, horns, or music as part of vending activity.
- F. Sidewalk Vendors may not sell alcohol, lottery tickets, cannabis, tobacco, electronic cigarettes, adult-oriented materials, or drugs of any kind.
- G. Stationary Sidewalk Vendors may not operate in residential zoning districts (residential neighborhoods).
- H. A Roaming Sidewalk Vendor engaged in sidewalk vending shall only stop for the time reasonably necessary to complete a transaction.
- I. Sidewalk Vendors are not permitted to operate within 250 feet of an area, including City Parks, designated for a temporary use permit issued by the City for temporary use of, or encroachment on, the sidewalk or other public area, including, but not limited to, an encroachment permit, special event permit, or temporary event permit, for purposes including, but not limited to, filming, parades, events, or outdoor concerts. A prohibition of sidewalk vending pursuant to this subsection shall only be effective for the limited duration of the temporary use permit.
- J. No Sidewalk Vendor may operate within 250 feet of an area, including City parks and facilities, where another person has a concessionaire agreement with the City that exclusively permits the sale of food or merchandise by the concessionaire.
- K. Sidewalk Vendors are not permitted to operate in areas within the immediate vicinity of a permitted certified farmers' market or a permitted swap meet during the limited operating hours of that certified farmers' market or swap meet. A "certified farmers' market" means a location operated in accordance with Chapter 10.5 (commencing with Section 47000) of Division 17 of the Food and Agricultural Code and any regulations adopted pursuant to that chapter. A "swap meet" means a location operated in accordance with Article 6 (commencing with Section 21660) of Chapter 9 of Division 8 of the Business and Professions Code, and any regulations adopted pursuant to that article.
- L. Sidewalk Vendors shall provide a trash receptacle for patrons to dispose of any trash, as well as ensure that the area is kept clean during hours of operation and upon leaving the location.

- M. Sidewalk Vendors shall maintain sanitary conditions appropriate for the food and perishable items offered for sale, in compliance with all applicable state and county food and health regulations.
- N. Sidewalk Vendors may operate only during the time similar to the hours of operation of nearby businesses on the same street. If operated in City parks, Sidewalk Vendors may operate only during the hours when the park is open to the public.
- O. Sidewalk Vendors shall comply with all applicable laws and license requirements.

1. I acknowledge and agree that by making this application, I have included all of the required items (see the first page of the application). 2. If the permit is granted, this application and supporting documents form a contract between the City of Folsom and the Applicant relating to the described sidewalk vendor activities. Applicant then becomes contractually obligated to the City regarding all requirements of the issued permit and agrees to protect, defend, indemnify and hold harmless the City of Folsom and its officers, agents and employees from and against any loss, injury, damage, claims, actions or lawsuits arising out of or in connection with the activities or intentional or negligent acts, errors, or omissions of the Applicant, volunteers, agents and customers, including those caused by negligence of the parties being indemnified and/or any dangerous condition of property of the parties being indemnified. _____(Initial)

3.
