New Business

• **Folsom Water Vision:**

In this workshop the Stakeholder Team was provided a summary of insights gathered from the previous workshop and the results of the evaluation criteria ranking survey. Summaries of future water supply portfolios that the City has developed were shared, along with an explanation of which scored the highest and the benefits and challenges each bring.

The Stakeholder team was asked to provide input on each proposed portfolio.

Adjournment

The meeting was adjourned at 8:30 p.m.

Respectfully Submitted:

Emma Atkinson, Management Analyst

Approved:

Mark Menz, Utility Commission Chair

NEW BUSINESS
Item 1
Utility Commission
Meeting Date: 11/19/24

DATE: November 7, 2024
TO: Utility Commissioners
FROM: Marcus Yasutake, Environmental and Water Resources Director
SUBJECT: **ENVIRONMENTAL AND WATER RESOURCES DRAFT FISCAL YEAR
2023-24 OPERATING BUDGET RECAP**

BACKGROUND

City staff will provide a recap of the draft Fiscal Year 2023-2024 operating budget for Environmental and Water Resources.

DISCUSSION

City staff will present draft financial figures comparing the Fiscal Year 2023-24 approved operating budget and the FY 2023-24 actual operating budget. These financial figures are still in “draft” form as the City’s Finance Department has not completed its final Fiscal Year 2023-24 budget figures as of this meeting date. Staff does not expect there to be any significant difference between the “draft” financial report and the “final” financial report for the FY 2023-24 operating budget.

ACTION

No action required. Informational update only.
